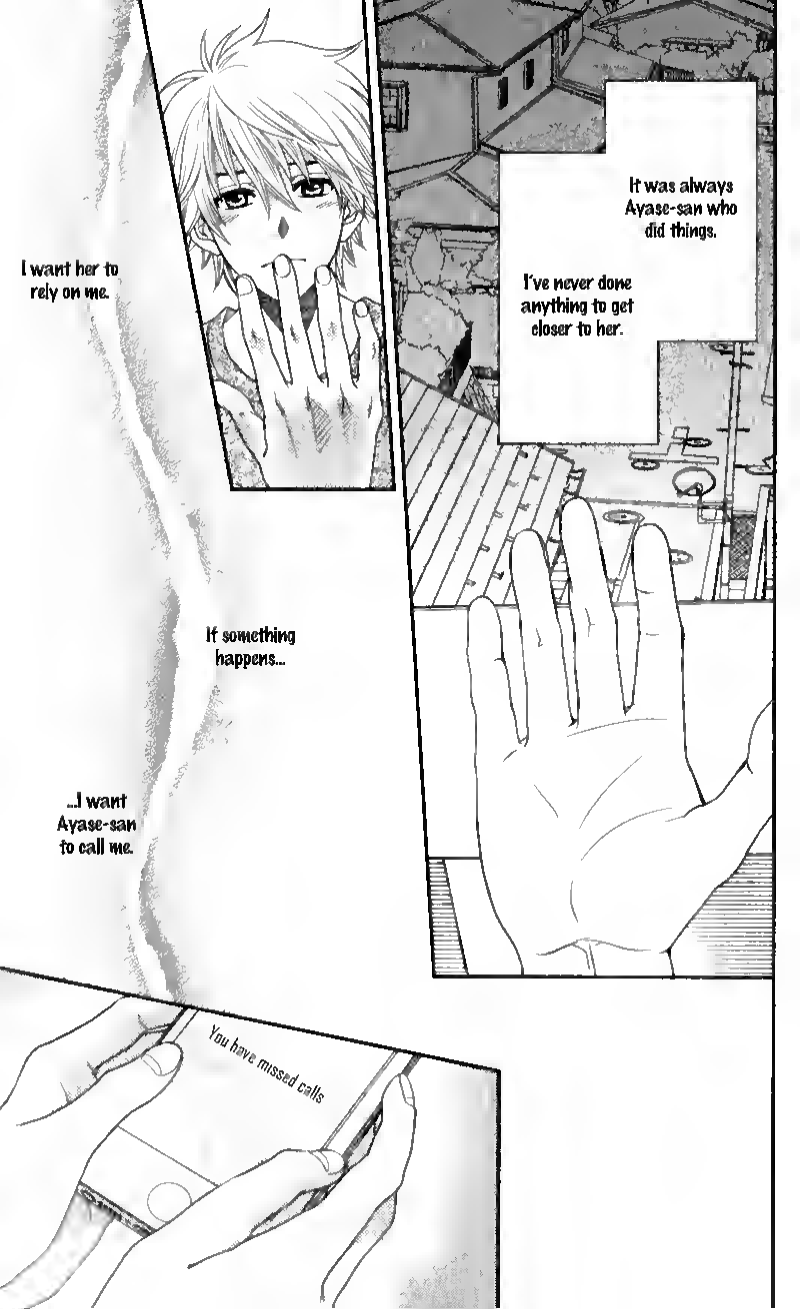
In a time like this, people really get impatient.

I don't even know where she lives..
And I wouldn't be able to see her directly at school tomorrow..
What kind of face is she making now?
Just to know that, I could run to her anytime now.
IT'S STILL NOT ENOUGH...



I want her to rely on me.
It was always Ayase-san who did things.
I've never done anything to get closer to her.
If something happens...
...I want Ayase-san to call me.
